

The SEE March Newsletter gave space to an overview of the FATE Project and its ongoing activities.

FATE demonstrates the varied opportunities offered within the framework of the fourth priority area "Development of transnational synergies for sustainable growth areas" under the area of intervention 4.1: "Tackling crucial problems affecting metropolitan areas and regional systems of settlements."

The complete article is available on the SEE Programme website: http://www.southeast-europe.net/admin/show_doc.cmt?lang=en&path=news_and_events/project_news/fate
